

○ ○ Performance Programme

Product name converter

More and more of our customers are now seeking long-term, cost-effective solutions that are based on functional needs. These needs require bitumen that meets varying demands of performance. In close cooperation with our customers we have realigned our products to best meet these challenges and to put performance in focus. The result is our Performance Programme.

Performance programme - focusing on the delivery of value and functional requirements.

Regular - focusing on Nynas quality bitumen.

Extra - focusing on bitumen with special characteristics and tailored specifications.

Premium - focusing on the highest level of specialisation for unique, multi-component solutions.

In this Product Name Converter you will find the new names of our bitumen products (translated from the old names you know) and categorised according to the new Performance Programme.

Please check for any subsequent revisions on our online Product Name Converter at web site www.nynas.com or with your local sales contact.
